

Be A Bike & Boat River Guide!

Wildlands Conservancy's Bike & Boat Program has both **paid and volunteer positions** available for experienced river guides. Our unique program aligns with PA academic standards and uses the Lehigh River as an outdoor classroom to promote environmental stewardship. Most trips run between Allentown and Bethlehem along the Lehigh River. If you love the outdoors and have a genuine desire to provide others with quality outdoor adventures, this may be a great opportunity for you. Qualified candidates **MUST**:

- Be at least 18 years of age
- Be willing and able to attend a training session in April
- Be willing to work weekends
- Preference given to those:
 - with experience as a river guide
 - with experience working with youth
 - ability to drive with a trailer
 - with First Aid / CPR certification
