WILDLANDS CONSERVANCY IS THE PREMIER NONPROFIT LAND TRUST OF THE LEHIGH VALLEY AND LEHIGH RIVER WATERSHED. We’ve been creating lasting connections to nature since 1973 through land protection, environmental stewardship and education. Our mission is kept alive through the committed support of the community and like-minded businesses.

Through easement, acquisition and a full spectrum of planning expertise, Wildlands has to date protected more than 50,000 acres of high-conservation-value lands situated on and in proximity to South Mountain, the Lehigh River Corridor, the Kittatinny Ridge (Blue Mountain) and special natural areas in the Pocono portion of the Lehigh River watershed.

In addition to holding 70 conservation easements, Wildlands owns and manages nine nature preserves that total more than 2,600 acres and are open to the public.
