St. Luke's Health Network, Delaware & Lehigh National Heritage in partnership with William Penn Foundation, Pennsylvania Organization for Watersheds and Rivers (POWR), Northampton County, **FILL IN**

Welcome to Walnutport Canal Association

[416 Lehigh St, Walnutport, PA 18088](http://416%20Lehigh%20St,%20Walnutport,%20PA%2018088)

Walnutport Canal Association (WCA) was incorporated on February 4th, 1982, "for improving and maintaining the Lehigh Canal in Walnutport and its banks." The Association currently oversees and maintains a canal park consisting of 145 acres and 4.5 miles of canal and adjoining towpath. The area houses the Heritage Center, WCA Pavilion, and Locktender's House. The Walnutport Canal Association, Inc. is a 501(c)3 non-profit organization. Through their generous partnership, we are able to provide camping opportunities for sojourners.

What to Expect:

- Parking lot is located next to WCA Pavilion. Campers may park and unload supplies, choosing their own camp space within the greenspace by Pavilion. Sojourn staff will be on hand to direct you.
- Campers must bring their own camping supplies.
- Bathrooms and potable water are available inside Pavilion. Showers are not.
- Trashcans are located onsite.
- Please note that for the Sojourn, no pets (even leashed) are allowed. Thank you for your understanding and cooperation.

Things to Do:

- Walk: Enjoy a walk along the canal's towpath. This spur section of D&L Trail follows the canal towpath north and south of Walnutport for a total length of 3.9 miles. To the north, users will catch glimpses of the Lehigh River and the remnants of canal locks. Where the canal and river meet, a small peninsula provides a unique view of the Lehigh Gap. On the southern side of Walnutport, trout and muskrat troll the wide waters of the canal and you won't want to miss the remains of the old aqueduct at Bertsch Creek.
- Fish: Visitors are welcome to fish from the banks. (Fishing license required.)
- Photography: Capture the historic structures at WCA
- Ice cream Break: Enjoy a scoop Scoopendorf's Ice Cream Company (1 mile)
