### **Safety Overview:**

- **Required:** Life jackets provided by outfitter. Sturdy, closed-toed shoes required. We will be walking rafts into the water via Drake's Creek launch area. Expect to get wet below the knees. Guests that are participating in the Dam Release Whitewater Rafting Adventure must be comfortable walking for 20 minutes.
- **What to wear:** Quick-drying, breathable clothing and/or bathing suit, shorts, t-shirt, river shoes, or old sneakers.
- **What to bring for after the trip:** Don't forget to bring a towel, change of dry clothes and shoes. You'll want to leave these items and any other valuables (jewelry, wallet, etc.) either in the trunk of your car OR rent one of the facility's large lockers. Locker rentals are \$5.00 per day. Pocono Whitewater has restrooms and changing rooms. They do not have a shower facility, but they do have a foot washing station.

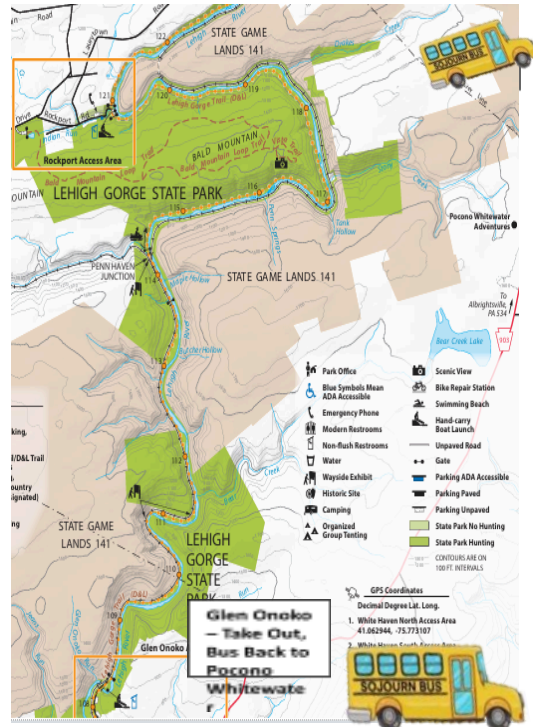

## 2026 Lehigh River Sojourn

- **Optional:** Sunscreen, sunglasses (with eyeglass traps), a hat.
- **River Conditions:** Class I, II and III Rapids
  - Class I River Rapids – Easy, small regular waves, minimal steering necessary.
  - Class II River Rapids – Slightly more difficult with small drops and waves.
  - Class III River Rapids – Numerous irregular waves with drops and holes.
- **Capacity:** Most rafts accommodate 4 to 7 people. If you have less than 4 people in your group, there is a possibility you will be teamed up with other whitewater rafting sojourn guests.
